

# CHRIST THE KING CATHOLIC SCHOOL

Wednesday 8<sup>th</sup> March 2017

Dear Parents and Caregivers

This year all of our children will again be having a series of swimming/water safety lessons at the New Windsor School Pool. The children will travel to and from the pool by bus and the pool is heated so lessons will not be affected by the weather. The lessons will be taken by qualified instructors from the Dean Greenwood Swim School and children will be taught at their own level. There will be no charge for the lessons.

Learning the physical skills that are needed for safe swimming and fun in the water is an important part of the *Health and Physical Education Curriculum* and all children are expected to take part in this learning experience. **Students will need to bring a towel and swimming togs each day during this series of lessons.** If there is some medical reason why your child cannot participate in a lesson you will need to send a letter of explanation to your classroom teacher.

Below is the timetable for the lessons:
