

CHRIST THE KING CATHOLIC SCHOOL

We're pleased to inform you that we have just launched a school app.

The school will be using the app to send out the school newsletter, general updates, classroom updates, reminders, events and much, much more!

The app is called tiqbiz and is available on iPhone, iPad, iPod, Android Phone, Android Tablet and any other type of device or computer via a website version. The app is free to download.

We kindly ask that you download tiqbiz to one of these devices, register a free account then find our school and tick on the groups that apply to YOU.

You'll receive all the information with a 'push notification' – much like a text message directly to your device. Any last minute changes or reminders, we'll be able to reach you to keep you completely informed and up-to-date.

The app has some great features that will allow us to get information through easily and quickly, you'll be reminded about important upcoming calendar dates, and everything we post can be translated into one over 100 languages!

We've programmed the app to show icons that link to all of the online tools we use, so anytime you need to access one of these tools, you can do it easily via the app by clicking the icon that you need. (Facebook, Calendar, Class Blogs, School Interviews, CTK Website)

You will also be able to submit student absence or trip permission slips through the app now, authorised by your signature, electronically signed straight onto the screen with your finger! We feel this fantastic community engagement tool is going hugely improve our flow of communication and resources to you, so we very much hope you enjoy using it.

Sincerely,

Tracey Kopua
