Up Coming Events

End of Year Celebration – Thursday 3rd December @ 5:30pm (Whole School)

We will celebrate our students learning and hand out several certificates per class. Children will perform their class items and we will have presentations from our specialist groups.

Bring food and a picnic rug for your family and enjoy the fun.

If the weather is bad this event will be held in our Church.

This is our farewell to Year 6 and 8 students. We will gather for Mass, leavers certificates, leavers prizegiving and supper afterward. Please bring a plate of food to share.

Last Day of School – Tuesday 15th December @ 12pm

We will finish school at 12pm on Tuesday 15th December. All children need to be off site by 12:30pm.

There will be no sKids afterschool care on this day.

Office Updates

Please return all library books and readers

As we get

closer to the end of the school year, Library and Office staff are preparing for our annual stocktake. You can help us get ready by returning all library books and readers (the books children bring home each night and are returned to class the next day). Sometimes books are left in backpacks, cars and under furniture at home. Please have a look for items belonging to CTK and return them to the school office so we can ensure an accurate stocktake.

Thank you from Virginia, Shanya and Eileen

If your child(ren) are missing a polar fleece, please send them to the Lost Property bin in the school office, we have many unnamed fleeces waiting to be collected.

If you daughter is missing a winter coat, please phone the school office to claim it.

Digital Devices 2021

From February 2021 CTK will no longer be connected to the Ako Hiko Digital Cluster. This means small changes will be made.

1 – Our Year 3 – 6 students will be in 1-1 Digital Classes.

2 – Chromebooks will have to be sourced by the families (CTK will no longer sell chromebooks). Devices can be purchased from places such as PB Tech, Noel Leeming, Harvey Norman and The Warehouse Stationary. Refer to the links below.

We do ask that if you are purchasing a new device be sure it is a **chromebook** as this will match the system we run in school.

If you have any questions please contact the school.
