

Christ the King Catholic School

Uniform Prices January 2022

The way children wear their uniform reflects pride in their school. Our expectations require a high standard of dress at all times and the support of parents is necessary in order to maintain those expectations. Children must bring a note if they are wearing any item of incorrect school uniform, including footwear.

We stock Christ the King Catholic School short sleeved polos, polar fleece jumpers, house shirts and sunhats in the school office.

Plain black shorts and socks can be purchased from generic uniform suppliers as Postie Plus, KMart and The Warehouse. **Leggings, jeans, track pants and patterned fabrics are not permitted.**
